## Media Alert: Only 2 weeks until Oceanology International - register for your press pass now

[Oceanology International 2024 \(Oi24\), ExCeL London, 12<sup>th</sup> to 14<sup>th</sup> March 2024](#)

If you haven't already done so, you can register for your Oi24 press pass by simply clicking on this [link](#) and select your chosen number of badges.

The badge entitles you free access to the exhibition hall, technical sessions

and show floor theatres for all 3 days of the event. It also entitles you free access the event's conference programme including the premium Catch the Next Wave Conference on day 3, Thursday 14th March (subject to seat availability).

Oceanology International is a marine science, ocean technology exhibition and conference showcasing future technology and transformational solutions, with a focus on a sustainable blue economy.

## Event Highlights

- Ministerial visits (Day 1) from The Right Honourable Emma Hardy, Shadow Minister for Flooding, Oceans and Coastal Communities and The Right Honourable Nusrat Ghani, Business and Trade Minister
- More than 400 exhibitors showcasing cutting-edge solutions, with 100 companies [launching new products and services](#)
- ['Catch the Next Wave'](#) conference (free access for accredited press)  
Speakers include 10 climate experts including [Professor Sir David King](#)
- [Daily dockside demos](#) from the world leaders in ocean technology
- [OceanICT](#), the only UK event focused on marine information and communication technology, new data and connectivity solutions to facilitate a smarter, more sustainable ocean.
