Media Alert: Schedule your meeting with Saltwater Stone clients at SMM, Hamburg

Saltwater Stone's clients are exhibiting at this year's SMM trade fair in Hamburg.

We are pleased to offer one-to-one stand meetings during the show at your convenience.

We request that you email the relevant Saltwater Stone PR manager stating the client you are interested in and your preferred time and day for an interview. We will then schedule the meeting. In this way, we hope to ensure

that you will not have to wait for a company representative to become available.

ACR ELECTRONICS INC. - Hall B1.0G, Stand 356

As a world leader in safety and survival technologies for over 65 years, ACR Electronics, Inc. designs and manufactures cutting-edge rescue beacons and survival equipment for the marine, outdoor, aviation and military markets. ACR Electronics marine and outdoor products are engineered to work in all conditions when needed the most and include Emergency Position-Indicating Radio Beacons (EPIRB), Personal Locator Beacons (PLB), Search and Rescue Transponders (SART), VHF, two-way satellite communication devices, Automatic Identification Systems (AIS), Man Overboard (MOB), emergency lights, search lights, and other associated safety accessories.

Saltwater Stone

About VETUS – Creator of Boat Systems

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company's commitment to quality, reliability, and delivering superior customer experience has earned the trust

of boaters, yacht builders, and marine training establishments all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service network.
