METSTRADE 35th anniversary
Amsterdam | 15 - 17 November 2023

METSTRADE Show 2023, Saltwater Stone Team - Karen, Charlie and Olivia.

Oct 25, 2023 12:30 BST

Media Alert: Schedule your meetings with Saltwater Stone clients at METSTRADE 2023

Are you attending **METSTRADE 2023** to cover the latest news in leisure marine industry?

Our team will be on hand to support Saltwater Stone's clients who will be present at the show, and to handle any media requests. We are delighted to extend an invitation for a personalised, one-on-one stand meeting during the event with our clients listed below.

To facilitate this, we kindly ask that you send an email to our PR Team, to inform us that you are attending and indicate your interest in a specific client as well as provide us with your preferred date and time for a meeting.

YANMAR - Stand: 01.343

YANMAR Marine International (YMI), a global leader in marine propulsion and engine solutions, proudly announces its pioneering 'Customer Journey' focus at METSTRADE. Designed to carve the way for the company and its customers towards a more sustainable future, the initiative demonstrates YANMAR's commitment to supporting its customers to take the first steps towards reducing their carbon footprint.

Topics:*Green innovation and alternative fuel compatibility, showcasing popular engines 4LV150 and SD15 saildrive, Green Customer Journey, industry partnerships, commitment to supporting electric innovation technology.*

For those who have already arranged meetings, there is no need to notify us again.

Enjoy the show and see you there!

Saltwater Stone

About VETUS – Creator of Boat Systems

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company’s commitment to quality, reliability, and delivering superior customer experience has earned the trust of boaters, yacht builders, and marine training establishments all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service

network.
