Media Alert: Smartgyro Sets Sail for IBEX and FLIBS this month: Showcasing Marine Stabilization Excellence

Gyroscopic stabilization innovator, Smartgyro, is thrilled to announce its upcoming participation in US based shows, IBEX (International Boatbuilders' Exhibition & Conference) and FLIBS (Fort Lauderdale International Boat Show). These events provide the perfect stage for Smartgyro to showcase its state-of-the-art marine stabilization solutions to a diverse audience and the international maritime sector.

As the company approaches its 10th anniversary in 2024, both events provide

an opportunity to look back at the technological strides and growth accomplished since Smartgyro's modest inception in 2014 as an Italian start-up company and now a global specialist provider of stabilization systems.

IBEX, Date: October 3rd-5th Stand: 1-506

FLIBS, Date: October 25th-29th Stand: *Marine Equipment Tent, 423*

For more information, visit <https://smartgyro.com/> or pop along to the stand to meet the expert team.

About VETUS – Creator of Boat Systems

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company's commitment to quality, reliability, and delivering superior customer experience has earned the trust of boaters, yacht builders, and marine training establishments all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service network.
