NEW DATE - EXCLUSIVE RAYMARINE ONLINE PRESS CONFERENCE - WEDNESDAY 9TH DECEMBER

Raymarine will officially launch an innovative new technology for boat builders and technical installers next Thursday, December 10th, during the METSTRADE Connect event.

To ensure you have early access to full details, **the Raymarine Team is inviting you to participate in an exclusive online press conference at 14:30 GMT on Wednesday, December 9th.**

A pre-recorded presentation will start at 14:30GMT. After the video, please join us via Zoom at 15:00 GMT for a Q&A session with our product and marketing teams to answer your specific questions.

Part 1

The Online Conference: 30 Minutes

[Register me for the 15:00GMT Zoom Q&A Webinar on 9th December]

We appreciate your ongoing partnership and look forward to seeing you on the 9th. Until then, please contact **Karen Bartlett**, k.bartlett@saltwater-stone.com, or **Chloe Rice**, chloe.rice@flir.com if you have any particular questions or experience any difficulties registering.

Press information will be shared with you after the event.

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company's commitment to quality, reliability, and delivering superior customer experience has earned the trust of boaters, yacht builders, and marine training establishments all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service network.
