**Re: "Greensea Systems Inc. partners with sister company Armach Robotics and Maryland's Maritime Environmental Resource Center (MERC) leading to contract award from US Navy's Office of Naval Research" press release issued on Wednesday, 16:23.**

Good afternoon,

Yesterday we distributed a press release about our client Greensea Systems' new contract with the US Navy's Office of Naval Research, but we have since been made aware of minor edits to the copy. Please delete this release. If you have published it on your website, please take it down for the moment. We'll issue an updated version as soon as it becomes available to us.

Thank you in advance, and we apologise for the inconvenience.

Kind regards,

Megan Liggett
