

Mar 08, 2024 10:44 GMT

Reminder: Sign up today for 'Meet the Media' sessions at Oceanology International 2024

Last chance to sign up for 'Meet the Media' - connecting Journalists with Oi24 Exhibitors

The one-to-one speed sessions at Oi24 will take place on Tuesday 12th March and Wednesday 13th March from 13:00 - 14:00 in the OceanICT Theatre.

New for this year 'Meet the Media' will provide an opportunity for exhibitors to share information with journalists about new products and discuss upcoming trends in the ocean technology industry.

Please reply to this email today and say 'Sign me up'!

Thank you if you have already responded.

About VETUS – Creator of Boat Systems

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company's commitment to quality, reliability, and delivering superior customer experience has earned the trust of boaters, yacht builders, and marine training establishments all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service network.
