Alle Cat Takes it All at the Red Snapper Roundup

Mastry Engine Centers has announced that team 10 – 4 BBQ was the big winner at the Apalachicola Red Snapper Roundup, hosted at the Scipio Creek Marina on June 26 and 27, taking home almost \$6000.

The team was awarded the prize for winning the tournament with a 2-fish aggregate of 46.9 pounds and secured additional winnings by taking the Calcutta with a 25.5-pound red snapper, the largest. Team 10 – 4 BBQ also won the Oyster City Suzuki Extra Grand Challenge, which awards \$1000 from

Suzuki to the owner of the winning team's boat if it was powered by a Suzuki outboard.

The 10 – 4 BBQ team fished on Alle Cat, a Mako 23 powered by a Suzuki DF250 outboard, with Alle Cat owners Shawn and Jessica Chisholm, their father Mike Chisholm, their niece Johanna Broker and Captain Michael Bodiford onboard. Shawn repowered his Mako from an older Mercury outboard and upgraded with a new Suzuki DF250.

Brent Magsig, regional manager for Mastry Suzuki Repower Centers, along with Trae Ross, owner of Oyster City Suzuki, presented the award and the \$1000 to Shawn and his team.

“The whole team were excited to win the Apalachicola Red Snapper Roundup,” said Alle Cat owner Shawn. “I could not be happier with my Suzuki DF250 4-stroke, it's a great outboard.”

Suzuki Repower, by Mastry Engine Center

Suzuki Repower, by Mastry Engine Center, offers the industry's most innovative and dependable outboard propulsion systems, Suzuki Marine Outboards. Suzuki's dedication to creating the finest 4-stroke engine technology has made them unmatched in marine outboards. The result is the industry's largest and most formidable all-4-stroke lineup. From the mini-might 2.5 horsepower portable right up to the new flagship V6. Add to that, Yanmar Mastry Engine Center has been supporting the marine industry for over half a century, helping boat builders, boat dealers and retail customers find the perfect engine packages designed to best fit their needs and not stretch their budget.

Suzuki Repower, by Mastry Engine Centers, are stationed throughout Florida assisting customers with Suzuki service and propulsion needs. Their highly experienced, factory trained technicians use only genuine Suzuki rigging, parts and controls. All installations are water-tested to be sure the motor(s) are rigged correctly, at the proper height and they are propped perfectly for superior performance. In addition, Mastry offers the option of a financing program that is not linked to your boat title.
