*North Cyprus destination offers safe and peaceful base all year round in heart of
fascinating cruising area at good value prices*

TYHA International Marina of the Year Karpaz Gate Marina has announced its berthing prices and special benefits for boat owners for 2017.

The 5 Gold Anchor marina on the Karpaz peninsula in Northern Cyprus is offering special incentives for owners and captains looking to choose a safe and secure home for their boat or yacht in the East Mediterranean.

Notable advantages include on-site technical and leisure facilities and the chance to explore a fascinating country and interesting cruising area with a long sailing season.

An ideal winter berthing option, Karpaz Gate Marina's annual contract prices include a free haul out, hull wash and anti-fouling application with 14 days hard standing, or the boat owner can opt to pay a lower price with a 40 per cent discount*. Annual berthing packages also include an option to suspend the contract for up to three months.

For short term moorings up to six months, there is up to a 30 per cent discount for the summer season (April 1 to September 30) and up to a 15 per cent discount for the winter period (October 1 to March 31).

For owners leaving their boats unattended, a free 'Special-Care Package' provides peace of mind that their yacht is regularly checked and cleaned.

The marina also offers a unique 'Freezing Option' which grants clients freedom within the terms of their contract. The option allows boat owners to suspend an annual contract for up to three months to be used one time within the annual contract period if they wish to visit another location or spend time cruising.

Harbour Master Deniz Akaltan said: "At Karpaz Gate Marina, we promise to take special care of your yacht and allow you peace of mind knowing your yacht is safe and secure. Our dedicated and professional team will ensure your yacht is treasured in your absence and ready for you to enjoy when you return. Your yacht is in safe hands at Karpaz Gate Marina.

"Our marina is the perfect winter and summer base, emphasising high quality standards in all professional marine facilities, technical services, food and beverage, leisure and entertainment. Our aim is to provide outstanding

service, shelter and security for all our clients.”

Karpaz Gate Marina is located in a secure and sheltered harbour with CCTV and security personnel throughout the marina as well as access control and access cards for each area.

Boat owners can take advantage of the Karpaz Gate Marina boatyard, which features an 18,000 square metre dry dock and 300-ton capacity travel hoist and service pedestals.

Berth holders and visitors also benefit from duty-free status for further savings on fuel, technical service, spare parts and supplies.

The marina caters for yachts up to 60m and offers alongside mooring for yachts over 30m.

Karpaz Gate Marina offers a luxurious experience in a unique, unspoilt location for captains, family and crew. It is the first modern marina in North Cyprus and an official Port of Entry, opening up the gateway to the region’s new cruising paradise.
