

UPCOMING WEBINARS

Apr 22, 2020 13:21 BST

Media Invitation: join Kongsberg Maritime for a series of expert webinars

Industry leader Kongsberg Maritime is hosting a series of live webinars, encompassing a range of topics including strategies for emissions reduction, digital verification for Dynamic Positioning systems, and the myths associated with autonomous vessel operation.

The schedule so far is:

- [21ST CENTURY STRATEGIES FOR REDUCING EMISSIONS](#)
23 Apr 20 11:30 – 23 Apr 20 12:00

- [KONGSBERG MARITIME DP DIGITAL SURVEY APPLICATION](#)
28 Apr 20 12:00 – 28 Apr 20 12:30
- [AUTONOMOUS VESSELS: A CONCEPT IN THE MAKING](#)
04 May 20 11:00 – 04 May 20 11:30

Additional webinars are expected to be added to the list over time.

We're inviting all journalists to sign up and learn more about cutting-edge maritime technology from some of the leading experts in their fields. The sessions, which last 30 minutes, are conducted using Zoom. There is the opportunity for asking questions throughout via the chat function, with answers given at the end of the presentation.

About Kongsberg Maritime

Kongsberg Maritime is a global marine technology company providing innovative and reliable 'Full Picture' technology solutions for all marine industry sectors including merchant, offshore, cruise, subsea and naval. Headquartered in Kongsberg, Norway, Kongsberg Maritime has manufacturing, sales and service facilities in 34 countries.

Kongsberg Maritime solutions cover all aspects of marine automation, safety, manoeuvring, navigation, and dynamic positioning as well as energy management, deck handling and propulsion systems, and ship design services. Subsea solutions include single and multibeam echo sounders, sonars, AUV and USV, underwater navigation and communication systems.

Training courses at locations globally, LNG solutions, information management, position reference systems and technology for seismic and drilling operations are also part of the company's diverse technology portfolio. Additionally, Kongsberg Maritime provides services within EIT (Electro, Instrument & Telecom) engineering and system integration, on an EPC (Engineering, Procurement & Construction) basis.

Kongsberg Maritime is part of Kongsberg Gruppen (KONGSBERG), an international, knowledge-based group that celebrated 200 years in business

during 2014. KONGSBERG supplies high-technology systems and solutions to customers in the oil and gas industry, the merchant marine, and the defence and aerospace industries.
