Kongsberg Digital will host a webinar week, with a series of Power Hours on digital maritime technologies

Nov 30, 2020 13:50 GMT

## Meet the maritime digitalization experts with Kongsberg Digital's Power Hours

**Kongsberg, Norway, November 30<sup>th</sup>, 2020** – Kongsberg Digital are delighted to announce a new Webinar Week: a series of live webinars taking the form of 'Power Hours'. Hosted by leading experts from within Kongsberg Digital and the maritime industry, these sessions offer a valuable, time-efficient way for professionals across all market sectors to stay informed and learn of the latest developments in maritime digitalization.

The webinars will run from Monday 30<sup>th</sup> November to Thursday 3<sup>rd</sup> December.

A Q&A session is included within each webinar, providing a key opportunity for interaction with the hosts and to obtain the latest information about Kongsberg Digital's wide range of digital solutions.

Kicking off this morning with the release of K-Sim Navigation's cloud-based radar training module for maritime education (click [here](#) for more information), the week continues with webinars addressing a range of topics, including:

- Collaboration in Maritime – *Eirik Næsje, SVP Vessel Insight, Kongsberg Digital & Bent Erik Bjørkli, VP Partner Program, Kongsberg Digital*
- How to deploy facility specific applications fast? Leveraging modularity in Digital Twins – *Eivind Roson Eide, Senior Engineer, Kongsberg Digital & Zach Houston, Senior Product Champion, Kongsberg Digital*
- K-Sim Fishery: How simulation training improves safety, efficiency and sustainability – *Kjetil Venås, Project Manager, Kongsberg Digital*
- The new MAN – KONGSBERG collaboration for digital services in Maritime – *Thomas Wikberg, Manager Strategic Partnerships, Kongsberg Digital & Johnnie Nielsen, Sales Manager, MAN*
- Maximizing the potential of your energy assets through Data-Driven Operations – *Håvard Paulsus, Director of Solutions, Kongsberg Digital & Therese Krogh, Customer Success Manager, Kongsberg Digital*
- Voyage optimization in the Kognifai Ecosystem – *Bent Erik Bjørkli, VP Partner Program, Kongsberg Digital & New partner (to be announced)*
- Agile approach: Our experience implementing Digital Twins – *Haavard Oestensen, Head of Growth, Kongsberg Digital*

The webinars are open to all, and there are no restrictions on how many you can attend. For those unable to join the live sessions, recordings will be made available.
