## Sea-Alliance Group Debuts New Listing My Star Sailing Yacht at Palma Show

*Palma International Boat Show (The Superyacht Village), 28<sup>th</sup> April to 1<sup>st</sup> May,  
Stand M-213*

Sailing yacht My Star, a sleek 115ft (35m) Dubois designed blue water cruiser, will be presented to the public for the first time as a new listing with Sea-Alliance Group at the Palma International Boat Show.

My Star has just returned to the Mediterranean after three years of sailing in

the Atlantic and Pacific Oceans and was last sold in 2017.

Following a complete rebuild in 2015 and two subsequent re-fits, the 1994 Alloy-built yacht is in superb condition, complete with modern interior, up-to-date electronics, sails, galley equipment and toys.

Roy Klajman, of Sea-Alliance Group, said My Star's participation in the show at The Palma Superyacht Village provides clients and brokers with an excellent opportunity to view a superyacht which has been exceptionally well-kept by the current owner and undergone significant investment in recent years.

"My Star was bought to fulfil the family's dream of exploring the world in luxury and visiting remote places in complete comfort, with no compromises," said Roy. "Now she is back in the Med and will be shown to the public for the first time at Palma. Due to the extensive rebuild and re-fits, My Star is in immaculate, turn-key condition, better than many much younger boats, and has a sophisticated and contemporary feel. She is ready for her new owner."

With an aluminium hull and superstructure, My Star features exterior design by Dubois Naval Architects Ltd, interior by RWD and naval architecture by Dubois Naval Architects Ltd. The superyacht has a beam of 25ft 11in, draft of 11ft 6in, bridge clearance of 137ft 10in and a volume of 136GT.

She has accommodation for five crew members and up to eight guests can be accommodated.

My Star is powered by a Lugger (Engine 1) for a cruising speed of 11kn and maximum speed of 13kn. The yacht carries 20,240 litres of fuel and 4,000 litres of fresh water.

My Star is for sale at an asking price of €4,950,000 with [Sea-Alliance Group](#) and will be located on the Main Pier (MUELLE VIEJO – Stand M-213) in The Palma Superyacht Village during the Palma International Boat Show from 28<sup>th</sup> April to 1<sup>st</sup> May.

Clients and brokers are welcome to view My Star during the show by visiting the stand at their convenience or can make an appointment by contacting

Roy Klajman at [roy@sea-alliance.com](mailto:roy@sea-alliance.com) or +44 7887 676888.
