

92 foot Sunseeker superyacht, Donizetti

Jan 21, 2016 12:12 GMT

Sea-Alliance Group: Sea-Alliance Announces Sale of 28m Motoryacht

The Sea-Alliance Group has announced the sale of the superb 92-foot Sunseeker superyacht Donizetti, which has been under the company's management services since originally selling the yacht in 2010. Maintained in superb order, Donizetti has also been one of the company's most popular charter boats around the Mediterranean.

Roy Klajman, of Sea-Alliance Group, commented: "This is another great example of the successful synergy between the different divisions of our

company. Our brokerage department acted for the owner when he purchased her, we were then appointed to manage the yacht, ensuring she was in perfect condition for the owner's use wherever she has been located. Our charter division was later involved with Donizetti, producing an excellent couple of seasons of charter for the owner. Brokerage was again appointed to sell the boat which was completed this week. Having seen her capabilities, we now have several clients interested in buying this type of yacht and would be keen to talk to other owners wishing to sell."

Donizetti is fitted to a high standard with luxurious interior and external entertaining areas accommodating up to 10 guests and crew. The comprehensive inventory had been continually updated which supported the yacht's lucrative charter history. Donizetti was on offer at €1.95m at the time of her sale.

Sea Alliance specialises in yacht brokerage, charter, management and management of marinas. The company is represented in Southern France, Greece, Gibraltar, Northern Cyprus and the Maldives.
