

Gareth Ross from Sika Limited giving a practical talk at 2016's Scotland Boat Show

Sep 25, 2017 09:48 BST

## Sika Limited: Sika Announced as Stage Sponsor at Scotland Boat Show

Sika Limited, a leader in sealing and bonding products has been announced as the headline sponsor of the presentation stage at this year's Scotland Boat Show, which will take place at Kip Marina, Inverkip, from Friday 13th to Sunday 15th October.

Joining a number of industry professionals on the stage will be Sika's technical marine expert, Gareth Ross, who will offer practical advice, demonstrations and an insight into how easy it is to bond plastic windows

into a boat using Sika's direct glazing system. The Sika presentation will be packed full of helpful hints and tips on how to achieve the best results when using Sika's marine sealants and adhesives. Visitors will have free access to Sika demonstrations throughout the show.

Gareth said: "We are excited to be the main sponsor of the presentation stage this year. It gives us a great opportunity to meet people who regularly use our products and to hopefully encourage others to try our range of marine products. There will be a few products that boat owners won't even be aware of so it is well worth coming along to the demonstration."

Gareth will also be available on Sika's stand throughout the show to answer questions about their wide range of sealants and adhesives for marine DIY use.
